## INTRODUCING COMMERCIAL HARDWARE BY BLACK & DECKER

### **K2™ Commercial Hardware by Black & Decker**

Introducing a new brand in our portfolio. Our K2 commercial hardware products include cylindrical and tubular levers, auxiliary deadbolts, exit devices and door closers featuring distinctive quality and design.

K2 has one goal in mind – to be known as the company that is easy to do business with.

*The unique K2 Suite Concept.  
Finally, one complete solution for all  
your commercial hardware needs.*
