PRODUCT SPOTLIGHT: DECORATIVE DOOR HARDWARE

Baldwin Hardware

New from Baldwin Hardware is the Baldwin Bronze collection – elegantly detailed cast bronze lock, bath and exterior hardware. Features include a full range of keyed and passage lock options, as well as two distinct style families including the new Tocana and Stonebridge handleset designs. Available in two finishes, Light Bronze (469) and Dark Bronze (471), the collection will be available for ordering in September 2008. For more information, visit www.baldwinhardware.com.

Circle 401

Corbin Russwin

All MUSÉO™ levers are available for Corbin Russwin's coordinating mortise locks, tubular locks, exit devices, access control products, and master key systems. A choice of roses and escutcheons complement the lever designs. The stylish MUSÉO levers are ideal for commercial projects ranging from offices to

hotels and museums, and large residential projects such as condominium complexes. For more information, visit corbinrusswinMUSEO.com.

Circle 402

Hickory Hardware

Available in eight design families, Hickory Hardware's new Designer Collection door hardware features custom-made quality and several new finishes that best highlight the character of each design. Each Designer Collection family offers a suite of matching door hardware — including entrance handle-sets, bed and bath, hall and closet, dummy trim, and single and double deadbolts — as well as kitchen cabinet hardware and other accessories. For information, call (877) 556-2918 or e-mail customerservice@hickoryhardware.com.

Circle 403

Schlage

Schlage has introduced a variety of lever styles to the venerable "L" series mortise lockset, ranging from the Danmark levers, a contemporary lever line manufactured of solid stainless steel, to solid wrought or forged levers and knobs. More than 50 lever designs are available. Trim options include roses and sectional escutcheons in configurations that complement Schlage cylindrical leverlocks. For information, visit www.schlage.com.

K2 Commercial Hardware

K2 Commercial Hardware by Black & Decker, committed to delivering distinctive hardware solutions, while simplifying the customer experience. The K2 product line includes locksets, auxiliary deadbolts, exit devices and door closers. The simplistic yet attractive chamfer design illustrates superior quality as well as its style niche in the commercial hardware market. Visit www.K2commercialhardware.com or call 1-866-590-2094 for more information.

Circle 404

Kwikset® SmartKey™

Kwikset SmartKey's side locking bar technology replaces the traditional pin and tumbler design. This design includes Bump-Guard™ protection for improved security against lock bumping. SmartKey offers a high level security at an affordable price. SmartKey deadbolt is ANSI Grade 1 heavy duty commercial security. SmartKey withstands the highest level of UL pick testing, the UL 437, Par. 11.6. Visit www.kwikset.com/smartkey or call 1-800-327-LOCK (5625) for more information.
