# SECURITY & DESIGN

## *A Specification Balance*

K2 Commercial Hardware introduces **EasySpec™**, a free service providing architects & designers division 8 architectural opening specifications, specializing in finish hardware.

The **EasySpec** team handles any size project, large or small, from schematic design through construction administration.

Our experts provide consulting, design, engineering, code compliance, & detailing of turnkey specifications and schedules customized for your project.

**EasySpec** by K2 is a true single-source specification service for doors & hardware. We handle the details to give you more time to focus on the creative design process.

### *EasySpec Services Include:*

- **Finish Hardware**
- Automatic Doors
- Wood Doors
- Hollow Metal Doors
- Aluminum Storefront
- Revolving Doors
- Operable Walls
- Roll-up Doors

One call to our EasySpec center can quickly start the delivery of technical specifications and help you maintain the balance of security & design.

**Call 866-590-2094 today & see how *EasySpec* can work for you!**
